

BookBags To-Go

In order to support our younger patrons and their parents, we are now offering a selection program for children's books. This program gives the parents the option to request children's books based on their child's (or children's) grade level. Within 1 weekday of submitting your order, our staff will prepare 5 to 20 books tailored to your request.

Here's how it works:

- 1. Fill out the BookBags To-Go form. You can choose how many books you would like and make requests for specific topics there.**
- 2. Our staff will prepare your order and contact to you when your books are ready. Please allow at least 1 weekday for our staff to select your books.**
- 3. Once your order is ready, you can either call us for curbside pick-up outside the library during our normal open hours, or come to the front desk to pick up your books.**
